Song: Spirit Fall on Us, by Jeff Nelson

About the Song

Jeff wrote **Spirit Fall on Us** in 1999 and first introduced it at New River Fellowship in Franklin, TN. Michael W. Smith, one of the founders of New River, heard the song and loved it. "You'll love Jeff's song. It's one of my current favorites." It has since been taught all over the country by various worship leaders.

The song is really a prayer of desperation:

"We need Your power; we need Your grace.
Lord let Your healing fill this place.
We need Your mercy; we need Your love.
Oh Spirit fall on us, fall on us!"

About the Recording

Jeff did the tracks and the lead vocal. Randy Rothwell & Ingrid DuMosch also had lead parts. Other singers include Michael Mellett, Aimee Joy Weimer, Kara Williamson and Katie Gustafson. Mark Baldwin is playing guitar. Nathan Zwald helped us on the engineering and mixing.

About Jeff Nelson

Jeff is a songwriter, keyboard artist and producer who lives in Franklin, TN. You may know his name from the song **Purify My Heart** which was a big Promise Keeper song. Also if you haven't heard Jeff's **Prayer Songs**, you need to get a set of those CD's. Prayer Songs is described as "instrumental inspiration for intercession." It's like having your own private minstrel to help accompany your prayers. To get your 2 CD set (\$20), call 1-800-950-7288. And, hey, if you need a great producer for your next project, contact Jeff at: SongKraft2@aol.com.

What is Prayer Songs?

A 2 CD set of instrumental music designed to stimulate your prayer life and your prayer ministry.

There are 17 original songs on the 2 volumes ranging from 5 to 10 minutes in length. The titles are based on Biblical themes like *Leaders, Incense, Battle, Harvest*, etc.

Prayer Songs was recorded in an atmosphere of prayer. As intercessors prayed together in one studio, Jeff Nelson, a gifted keyboard artist, songwriter, and producer, sat at a Yamaha grand piano in an adjoining studio, listening through his headset and musically interpreting the spirit of the prayers. The result is over 2 hours of "fragrant sounds" that will stir your worship & intercession. (The recordings are music only - not the spoken prayers.)
