## Song: WHERE THE RIVER IS FLOWING, by Gerrit Gustafson

### About the song

The FREESONG #11, **Where the River is Flowing**, by Gerrit Gustafson, is a fun song that carries an important theme. It's a cry of the heart similar to that in the old hymn, Do Not Pass Me By: "don't let me miss being a part of the current activity of the Holy Spirit."

Gerrit says, "As a young Christian, I learned the truth in I Corinthians 2:13-14 that human wisdom simply cannot understand the things of God. But I always thought of that as applying only to non-Christians. More recently, I began to realize that unless we, as Christians, maintain a vital, ongoing relationship with the Holy Spirit, we too will be in the dark concerning the things that God is doing. May this song become a regular prayer of our hearts, that we would stay so close to the Lord and His word so that we can fully participate in His activity."
